CURRENT SITUATION

(Recent updates are posted at the top of Current Situation)

The City of Riverside Fire Department responded to a report of an downed aircraft at the Riverside Municipal Airport 6951 Flight Rd Riverside Ca.. Upon arrival of the first in fire unit they found a 1983 Robinson R22 two passenger helicopter that had crashed landed. The student pilot was attempting to land the helicopter and it appears the landing was a hard landing. The trainee was practicing taking off and landing on the North/South runway. The pilot was not injured during this incident and was self-extricated from the aircraft. The NTSB was notified via the Riverside Airport Director.
